# billables.ai

Our Philosophy

Let lawyers lawyer. Billables AI will do the rest.
Our mission is to transform the way professional service providers work, freeing them up to focus on the most creative and intellectual parts of the business.

Our Product

Automated billable time reports, powered by AI

Connect your work software and let Billables AI generate your billable hours report. Our technology automatically detects relevant client matters, calculates duration based on active work time, and generates a full narrative description for every billing entry.
